MOBILE PHONE AND SMART TECHNOLOGY POLICY 2026-2027

DIOCESE OF
SHEFFIELD
ACADEMIES
TRUST

Approved by:	DSAT Trust Board
Last reviewed on:	Summer 2026
Next review due by:	Summer 2027

In addition to mobile phones, policies should explicitly reference emerging technologies such as smart glasses (for example Meta Ray-Ban glasses), smart watches, and any other devices with voice recording, video recording, image-capture, or live-streaming capabilities. As these technologies become more widely accessible, it is essential that school policies clearly set expectations around their use on site, particularly in relation to safeguarding, privacy, and data protection.

In particular, policies should make clear that:

- The unauthorised recording, photographing, or live streaming of pupils, staff, or visitors may present a safeguarding risk
- Any audio or visual recording of identifiable individuals constitutes personal data and must comply with the UK GDPR and Data Protection Act 2018
- Recording without consent, or for purposes other than those authorised by the school, is not permitted
- Misuse of such devices may result in sanctions and, where appropriate, safeguarding or data protection procedures being followed

Policies should also clearly outline expectations for pupils, staff, visitors, and contractors, and include procedures for managing concerns or breaches in line with safeguarding guidance and GDPR requirements.

1. Introduction and aims

At Rossington St Michael's CE Primary School, we recognise that mobile phones and similar devices, including smartphones, are an important part of everyday life for our pupils, parents/carers and staff, as well as the wider school community.

Our policy aims to:

- Ensure our environment is mobile phone-free by default
- Ensure the safe, responsible and lawful use of mobile phones, where applicable
- Provide clear guidelines for the use of mobile phones for pupils, staff, parents/carers, visitors and volunteers
- Support the school's other policies, especially those related to child protection and behaviour

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Risk of theft, loss, or damage
- Appropriate use of technology for learning purposes

Note: throughout this policy, 'mobile phones' refers to mobile phones and similar devices.

2. Relevant guidance

This policy meets the requirements of section 36 of the [Children's Wellbeing and Schools Act 2026](#), and the Department for Education (DfE)'s [mobile phone guidance](#) and [behaviour guidance](#). Further guidance that should be considered alongside this policy is [Keeping Children Safe in Education](#).

3. Roles and responsibilities

3.1 Staff

All staff (including teachers, support staff and supply staff) are required to actively enforce this policy and challenge any breach of mobile phone restrictions immediately and consistently.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The headteacher is responsible for monitoring the policy and reviewing it every year, and holding staff and pupils accountable for its implementation.

Staff will address any questions or concerns from parents/carers quickly and clearly communicate the reasons for prohibiting the use of mobile phones.

4. Use of mobile phones by staff

Staff should not use their own mobile phone for personal reasons in front of pupils throughout the school day.

School is a mobile phone-free environment by default: anything other than this should be by exception only.

4.1 Personal mobile phones

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to use their personal mobile phone during the school day, while children are present. Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the staffroom).

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time for personal reasons. For instance (this list is non-exhaustive):

- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members

The headteacher will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number 01302 840200 as a point of emergency contact.

4.2 Data protection

Staff must not use their personal mobile phones to process personal data, or any other confidential school information, including entering such data into generative artificial intelligence (AI) tools such as chatbots (e.g. ChatGPT and Google Gemini).

See trust data protection policy, ICT acceptable use policy and AI policy.

4.3 Safeguarding

Staff must not give their personal contact details to parents/carers or pupils, including connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents/carers or pupils.

Staff should not have Class Dojo on their personal mobile device for connecting with parents/carers or pupils.

Staff must not use their personal mobile phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil. If it's necessary to take photos or recordings as part of a lesson/school trip/activity, this must be done using school equipment.

4.4 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones or a similar device during the school day in front of pupils for work. Such circumstances may include, but are not limited to:

- Issuing homework, rewards or sanctions
- Use of multi-factor authentication
- Emergency evacuations
- Supervising off-site trips
- Supervising residential visits

During residential visits, staff will use their personal devices should there be an emergency. Where possible, staff will use the site's telephone to contact parents/carers.

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct
- Not use their phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil
- Refrain from using their phones to contact parents/carers. If necessary, contact must be made via the school office

4.5 Work phones

At Rossington St Michael's CE Primary School, we do not provide school mobile phones. Should we do then staff must:

- Only use school phone functions for work purposes, including making/receiving calls, sending/receiving emails or other communications, or using the internet
- Ensure that communication or conduct linked to the device is appropriate and professional at all times, in line with our staff code of conduct

4.6 Sanctions

Staff that fail to adhere to this policy may face disciplinary action.

See the school's staff disciplinary policy for more information.

5. Use of mobile phones by pupils

Pupils must not use their mobile phones during the school day, including during lessons, in the time between lessons, at breaktimes and at lunchtimes, unless explicitly authorised by a member of staff (for example, for a specific medical reason).

Pupils should not use their mobile phones during the school day, including during lessons, in the time between lessons, at breaktimes and at lunchtimes.

Pupil mobile phones are to be handed in at the classroom to be stored in the storeroom.

Pupils are allowed to bring a mobile phone to school or use within school for a special circumstance:

- Pupils with diabetes who use their phones to monitor their blood sugar

Pupils will be taught the risks that are associated with the use of mobile phones, both in school and more broadly, to ensure they understand the decision to prohibit the use of mobile phones throughout the school day. These risks can include a loss of focus in lessons, classroom disruption and an increase in bullying. Pupils will be encouraged to see a mobile-phone free environment as desirable and valuable.

5.1 Use of smartwatches by pupils

The DfE's statutory [mobile phones guidance](#) includes in the term 'mobile phones' all devices with communications and smart technology that the school chooses to include in their policy.

Smartwatches are wristwatches with smart technology in them. They can be used to tell the time, send and receive text and voice messages, make calls and listen to music. Some smart watches have wellness and health-related features.

Pupils will not be permitted to wear smartwatches that are not in airplane mode.

5.2 Exceptions for special circumstances

Pupils are allowed to bring a mobile phone to school or use within school for a special circumstance:

- Pupils with diabetes who use their phones to monitor their blood sugar

The school may permit pupils to use a mobile phone in school, due to exceptional circumstances. This will be considered on a case-by-case basis. To request such permission, pupils or parents/carers should contact the headteacher and 01302 840200.

Any pupils who are given permission must then adhere to the school's code of conduct for mobile phone use (see appendix 1).

5.3 Sanctions

In each case, the sanction given must be reasonable and proportionate. The school will also consider whether:

- There are any relevant special circumstances (for example, age, religious requirements, special educational needs, disability)
- The pupil's behaviour may indicate they may be suffering, or at risk of, harm. If this is suspected, staff will follow the appropriate procedure set out in Part 1 of [Keeping Children Safe in Education](#)

Mobile phones will be confiscated (Schools are permitted to confiscate phones from pupils under section 91 and 94 of the Education and Inspections Act 2006. If they are confiscated, then a parent/carer must collect them at the end of the school day. Headteachers can confiscate mobile phones and similar devices for the length of time they deem proportionate, according to the DfE's guidance on mobile phones in schools. Certain types of conduct, bullying or harassment can be classified as criminal conduct. The school takes such conduct extremely seriously and will involve the police or other agencies as appropriate.

Such conduct includes, but is not limited to:

- Sexting (consensual and non-consensual sharing nude or semi-nude images or videos)
- Upskirting
- Threats of violence or assault
- Abusive calls, emails, social media posts or texts directed at someone on the basis of someone's ethnicity, religious beliefs or sexual orientation

6. Use of mobile phones by parents/carers, volunteers and visitors

Parents are encouraged to reinforce and discuss this policy at home as appropriate, including the risks associated with mobile phone use and the benefits of a mobile phone-free environment.

Parents/carers, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- Not taking pictures or recordings of pupils, unless it's at a public event (such as a school fair), or of their own child
- Using any photographs or recordings for personal use only, and not posting on social media without consent
- Not using phones in lessons, when working with pupils or while children are present

Parents/carers, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents/carers or volunteers supervising school trips or residential visits must not:

- Use their phone to make contact with other parents/carers
- Take photos or recordings of pupils, their work, or anything else that could identify a pupil

Parents/carers or volunteers supervising trips are also responsible for enforcing the school's policy for pupils using their phones, as set out in section 5 above, but must refer any sanctions to a member of staff, as they do not have the power to search or confiscate devices.

Parents/carers must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on their personal mobile during the school day.

7. Loss, theft or damage

Pupils bringing mobile phones to school must ensure that the phones are handed in and collected only via the classroom. They will be stored securely when not in use.

Pupils must secure their mobile phones as much as possible, including using passwords or pin codes to protect access to the phone's functions. Staff must also secure their personal phones, as well as any work phone provided to them. Failure by staff to do so could result in data breaches.

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to and from school.

This policy will be displayed on our website to ensure that all are aware of the disclaimer.

Confiscated phones will be stored in the school office.

Lost phones should be returned to the school office. The school will then attempt to contact the owner.

8. Monitoring and review

The school is committed to ensuring that this policy has a positive impact on pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents/carers and pupils
- Feedback from staff
- Records of behaviour and safeguarding incidents
- Relevant advice from the Department for Education, the local authority and any other relevant organisations

If there are any concerns regarding this policy, these should be brought to the attention of the headteacher (01302 840200) in a timely manner.

9. Appendix 1: Code of conduct for pupils allowed to bring their phones to school due to exceptional circumstances

Pupil Code of Conduct

You must obey the following rules if you bring your mobile phone to school:

1. You must hand in your mobile phone before entering school by coming in through to the school office via the outside (not to come through school) and then collected at the end of the day in the same way.
2. You may not use your mobile phone throughout the school day, including lesson times, in between lessons, breaktime and lunchtime, unless a teacher specifically allows you to for a specific reason.
3. Phones must be switched off (not just put on 'silent').
4. You may not use your mobile phone in the toilets or changing rooms. This is to protect the privacy and welfare of other pupils.
5. You cannot take photos or recordings (either video or audio) of school staff or other pupils.
6. Avoid sharing your contact details with people you don't know, and don't share other people's contact details without their consent.
7. Don't share your phone's password(s) or access code(s) with anyone else.
8. Don't use your mobile phone to bully, intimidate or harass anyone or otherwise to act in breach of the school's [behaviour policy]. This includes bullying, harassing or intimidating pupils or staff via:
 - a. Email
 - b. Text/messaging app
 - c. Social media
9. Don't use your phone to send or receive anything that may be a criminal offence. For instance, by 'sexting'.
10. Rules on bullying, harassment and intimidation apply to how you use your mobile phone even when you aren't in school.
11. Don't use vulgar, obscene or derogatory language while on the phone or when using social media. This language is not permitted under the school's behaviour policy.
12. Don't use your phone to view or share pornography or other harmful content.
13. You must comply with a request by a member of staff to switch off, or hand over, a phone. Refusal to comply is a breach of the school's behaviour policy and will be dealt with accordingly.
14. Mobile phones are not permitted in any internal or external exam or test environment. If you have a mobile phone, you will be asked to store it appropriately, or turn it over to an exam invigilator, before entering the test room. Bringing a phone into the test room can result in your exam being declared invalid.
