## Les animaux (1)

### Lesson objectives

To introduce the unit '**Les animaux**'. In this lesson pupils will learn how to name (with accurate pronunciation) and remember five animals in French with the correct indefinite article/determiner.

### Graded activities

- Explain the aim of the unit: to recognise, recall and spell up to ten animals in French with their correct article/determiner. In this lesson the first five animals will be presented allowing pupils time to build up their knowledge gradually.

5 mins

- Using the '**Les animaux (1)**' PowerPoint, start the lesson. Pupils will learn how to recognise, name, and hopefully remember the five animals with their correct article/determiner in French. See Teacher Support Notes for a full lesson breakdown.

25 mins

**PLENARY:** Can the children remember all five animals in French from memory and as an extra challenge can they attempt to spell them?

5 mins

### Resources required

- PowerPoint and animated video.
- Desk-based activities (if teachers wish).

### Suggested consolidation exercises/games/songs

- Sing the animated song provided at the start/end of other lessons going forward in French.
- Start to create a French animal display.
