

# Primary French Lesson Plan

Date: Lesson 1

Class:

Teacher:

EAL/SEN/G&T

## Lesson objectives

To introduce the aim of the unit '**Les glaces**'. In this lesson, pupils will learn how to name (with accurate pronunciation) and remember the first five (out of a total of ten) ice-cream flavours in French.

## Graded activities

- Introduce aim of unit. In this lesson the children will learn how to name five common ice-cream flavours in French. The following lessons will then move onto learning the next five and then how to say they would like an ice-cream, specifying which flavour and whether they would like a cone or a small pot/tub. No previous French knowledge is necessary. Ask the children to guess in English what the possible flavours chosen for the lesson might be before starting the PowerPoint. 5 mins

- Using the '**Les glaces 1**' PowerPoint provided, start the first lesson. Pupils will learn how to recognise, name and hopefully remember five common ice-cream flavours in French. See Teacher Support Notes for a full lesson breakdown. 25 mins

- An optional extra challenge section is provided at the end of the lesson along with a choice of differentiated worksheets to consolidate learning. See Teacher Support Notes for suggestions. (5-10 mins minimum)

**PLENARY:** Can the children now remember and say 5 common ice-cream flavours in French? Do they remember what these mean in English?

## Resources required

- PowerPoint.
- Differentiated worksheets - one per pupil (if teachers wish)

## Suggested consolidation exercises/games/songs

- Create a wall display of ice-cream flavours and label them in French.
- Make their own ice-cream cone out of paper.
